### Letter of Recommendation

To whom it may concern:

I am pleased to write a letter of recommendation for Tommi Saltiola. He was my student in the Data Analysis Industry Training Program for four weeks, and I believe that I am in a solid position to recommend him.

As his tutor, I have had an opportunity to observe his participation and interaction in class and to evaluate Tommi's knowledge of the subject matter. He is an outstanding student in all respects. Tommi Saltiola has proven that through hard work, follow-through, and teamwork, he can accomplish tasks in a courteous and timely manner. Saltiola is well equipped to grow from the challenges that he is presented with. His proactivity, good staging, and fast learning skills prepare him beautifully for your organization.

I strongly endorse making Tommi Saltiola a member of your team.

Sincerely,

19/10/2022
